NOTE: While I have tried to cover all options here, special circumstances can occur so if you have any questions at all please don't hesitate to contact me!

PRODUCT TUTORIALS . . . Tutorials may be included in the download files, in a PDF file format. Additionally, you will find a link to my Blog where you can see a complete step by step tutorial with photos for construction if you prefer working with an online tutorial.

APPLIES TO ALL WORKS OF THE COVERED CHIPBOARD/DIGIZINES BY TERI/TERI HANSON/JWH PRODUCTIONS INC

VIP NOTICE !!!!!!!!!!!!!!!

None of my images, backgrounds, elements, kit previews, layouts or projects made with my kits/kit items may be posted on Instagram in any form whatsoever. There is an ongoing issue concerning Instagram TOU and copyright laws.

FOR PERSONAL USE . . .

Personal use, often referred to as PU, allows you to use this product for your personal needs only. You may create things for yourself and as gifts for family and friends with this type of license. You may NOT resell in any format with this license.

SVG FILES . . .

As stated on the packaging these may be offered in both PU use and limited CU use. Please refer to the packaging for stated options/use. For limited CU use you can create UP TO 100 finished physical items for sale at crafts fairs and such. You may NOT sell the finished items ONLINE in any form or venue. Files/patterns may NOT be sold, swapped or given freely to others in any way.

SCRAP FOR HIRE/OTHERS . . .

Crafter use ok – this means you can sell the things you create with our designs, ONLY as a FINISHED project. You can't sell the printable kit, sheets, or graphics in any form. Credit is not required but is appreciated. NO tutorials may be included with finished projects, put in a kit for sale, nor shared in any format.

LIMITED COMMERCIAL USE . . . (When Available)

This type of license is perfect for crafters, artists, and those that want to create things by printing them and then selling them to others such as cards or fliers . You may NOT resell any of this product as is. The product must be embedded into a product that you are going to print or construct and sell. You may not mass produce anything you make unless you have the designers written approval beforehand. You may not use this product to create digital products to resell.

NOTE: No more than 100 products can be created with this license.

****NOTE:** Always check the product description to see what license applies to the specific product.

****PDF Tutorials** – Included in download and online versions – NONE may be shared in any way. You may NOT share passwords to the online tutorials in any way.

****SPECIAL NOTE – FINISHED WORKS S4H**

Some of my products can be created and sold at craft fairs. These must be a completely “finished constructed product” and none of the original printable sheets or digital elements may be included in an “as is” form with the finished product. Finished products can be sold at craft fairs but NOT online or electronically in any form. If you want to use any of my products in this manner, please contact me ahead of time to be sure it's allowed for your specific product.

****SPECIAL NOTE . . . FOR PUBLISHED WORKS – credit required**

If you should create something that is published in a book, on a digital website or any other such media . . . CREDIT IS REQUIRED! Please show credit as: Created with product/s: (product name/s you used) from Teri Hanson / The Covered Chipboard

****USE OF QUICK PAGES AND QUICK PAGE ALBUMS . . .**

Neither Quick Pages or Quick Page Albums may be published and claimed as your own creation! These MUST be credited as follows: Layout Created by Teri Hanson/ DigiZines by Teri with a link to the locate of the purchased Quick Page/Quick Page Album

All graphics images are copyrighted by Teresa Hanson with all rights reserved. By purchasing a product you are obtaining a “license to use” these graphics images and designs from Teresa Hanson, and you are agreeing to the terms of this user license. They do not become your property, you are only obtaining the right to use them for your PERSONAL USE.

Thanks for your support!!!
Buy purchase you agree to the above stated terms of use

Basically, this is not a hobby for me. I support my family with this business. If you abuse these conditions you are literally taking food off our table. So please consider this when you use my kits.

Have a GREAT and CRAFTY day!!!
